EASTON STREET IN RIALTO WILL BE CLOSED BEGINNING FEBRUARY 6

Route 210 construction will require Easton Street to be closed between Riverside Avenue and Sycamore Avenue beginning Monday, February 6 for approximately four weeks. Construction crews will realign Easton Street to connect to the new Highland Avenue overpass. Work will occur from 6:30 a.m. to 4:30 p.m., Monday through Friday.

During this construction, drivers should use Riverside, Walnut and Sycamore Avenues as detour routes. Access to the Easton Square Apartments, Rialto Fire Station, St. Thomas More Church and United Family Care will be maintained throughout the construction. No parking will be allowed on Easton Street between Riverside and Sycamore during this period.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.
